STATEMENT PURSUANT TO SECTION 134(3) OF THE COMPANIES ACT, 2017

Pursuant to Section 134(3) of the Companies Act, 2017, this Statement sets forth the material facts concerning the special business listed hereinabove, to be transacted at the ninth Extraordinary General Meeting ('EOGM') of the Company to be held on Thursday, November 20, 2025.

PTCL Board of Directors in its 235th meeting held on January 23, 2023, authorized PTCL Investment and Finance Committee to coordinate with PTCL Group Management and M&A team regarding submission of offer to Telenor ASA for acquisition of 100% shares of Telenor Pakistan Limited (TPL) and its other assets. PSX was informed vide prescribed Form 25 on January 31, 2023. Subsequently, PTCL Board of Directors in its 239th meeting held on August 29, 2023, authorized the PTCL Group CEO to undertake all necessary actions and decisions requiring submitting offer to Telenor ASA for acquisition of 100% shares of TPL and other assets in the contemplated transaction perimeter, with an enterprise value ranging from USD 360 million to USD 450 million. The information was disclosed to PSX on August 29, 2023, through prescribed Form 25. Further, PTCL Board of Directors in its 242nd meeting held on December 13, 2023, authorized the PTCL Group CEO to sign Share Purchase Agreement (SPA) for acquisition of 100% shares of TPL and other assets. The enterprise value was set at PKR 108 billion, with the share purchase price and total consideration to be determined at the time of completion. The SPA was signed on 14th December 2023, and the said information along with the detail of enterprise value price was shared with PSX on the same day on prescribed Form 25. The acquisition is subject to all corporate and regulatory approvals.

The detail of acquisition of shares in accordance with the SPA signed on 14th December 2023 is as under:

- a) 8,512,110,269 shares of Telenor Pakistan (Private) Limited held by Telenor Pakistan B.V. (as the "Seller") and the 1 (one) share held by its nominee shareholder.
- b) 49,997 shares of Orion Towers (Private) Limited held by the Seller and 3 (three) shares held by its nominee shareholder, being 100% of the equity in both the target companies i.e., Telenor Pakistan (Private) Limited and Orion Towers (Private) Limited.

The acquisition of TPL and Orion Towers (Private) Limited, will be funded through financing agreements. PTCL has entered into financing agreement(s) on June 27, 2024, with International Finance Corporation (IFC) led consortium which includes Silk Road Fund (SRF) and British International Investment (BII), with financing period of seven (7) years with one year grace period. The disbursement shall occur following completion of conditions precedent specified in such financing agreements. The loan of up to USD 400 Million is to be paid in quarterly instalments from second anniversary of the loan. This information has already earlier been shared with PSX on June 27, 2024, on prescribed Form 25.

The acquisition of TPL and Orion Towers (Private) Limited, is strategically significant for PTCL Group's position in Pakistan, offering an opportunity to consolidate and attain a sustainable scale in the mobile/cellular market. This acquisition allows for substantial synergies in revenue, operating expenses, and capital expenditures, ultimately benefiting consumers through improved coverage and quality.

Article 38.3 of the PTCL's Articles of Association requires that any transaction proposed to be entered into by the Company involving the acquisition or disposal of an interest in any person; or any assets(s) other than an interest in any person, must receive approval at a General Meeting, in the manner prescribed therein. This requirement applies when the transaction results in a percentage ratio of 25 percent or more, calculated using one or more of the 'Indicator Calculations' defined in Article 38.4.

The Competition Commission of Pakistan (CCP) issued its Phase II order on September 30, 2025, granting approval to PTCL for the acquisition and merger of TPL and Orion Towers. PTCL shareholders' approval will be necessary to comply with Article 38.3 of the Company's Articles of Association, as the transaction is projected to exceed a percentage ratio of 25 percent based on the 'Indicator Calculation' defined in the Company's Articles. Consequently, an EOGM is proposed for November 20, 2025, to seek shareholders' approval for the acquisition of TPL and Orion Towers (Private) Limited.

The Directors of the Company do not have any direct or indirect interest in the business to be conducted at the ninth EOGM. The relevant documents can be inspected upon request at the Company's head office.
