DIRECTORS' REVIEW

The Directors of Pakistan Telecommunication Company Limited (PTCL) are pleased to present to the shareholders, the un-audited financial statements of the Company for the three months period ended 31st March 2022.

During the first quarter of 2022, PTCL Group successfully managed to keep the topline growth momentum, which has further strengthened its market standing as an integrated telecom services provider in Pakistan. Growth in revenue is mainly driven by strong performance in the consumer segment led by fixed broadband, mobile data, business solutions, and microfinance services that supported the Group in achieving 3.2% growth in revenues over the comparative period despite the challenges of increase in Advance Income Tax (AIT) and reduction in Mobile Termination Rates (MTR).

During the period under review, PTCL Group's revenue of Rs 35.1 billion is 3.2% higher as compared to the same period of last year. The Group's profitability remained under pressure due to significant hike in power tariffs, devaluation of the Pak Rupee against USD, higher interest rates, and other factors like upfront costs associated with the acquisition of 4G spectrum and related network rollout. The Group has posted a net loss of Rs 1.6 billion. PTCL continued its growth by posting 3.5% YoY revenue growth in Q1, 2022. PTML's (Ufone) revenue grew by 1% as compared to Q1, 2021. U Bank continued its growth momentum and has achieved a 13% growth in its quarterly revenue over the same period of last year.

PTCL's revenue of Rs 19.6 billion for the quarter is 3.5% higher than Q1 2021, mainly driven by growth in broadband and corporate revenue segments. The company has posted an operating profit of Rs 1 billion for the quarter. Operating profit for the period remained under pressure compared to last year mainly due to increase in operating costs on account of significant hike in power tariffs. Net profit of Rs 1.9 billion for the quarter is 10% higher as compared to the same period of last year. Increase in non-operating income, due to translation gain on the Company's forex denominated assets, dividend income from a subsidiary and gain on disposal of obsolete assets due to upgrade and fiberization of network, has helped turn the 39% decrease at operating profit level to a 10% increase at the net profit level.

During the past quarters, PTCL mainly focused on enhancing customer experience by providing the fastest and most reliable internet services under its flagship 'Flash Fiber' Fiber-To-The-Home (FTTH) brand. Through an aggressive and robust commercial strategy, PTCL managed to expand its FTTH services in 27 cities with capacity enhancement for 125,000 new lines during the past year. The rapid rollout of FTTH and strong performance in corporate segment ensured PTCL's topline growth.

During 2022, the company's fixed broadband business grew by 10.4% YoY, whereas IPTV segment also showed a 9.3% growth YoY. Within the broadband business, Flash Fiber, the company's premium FTTH service, showed significant growth of 86.6%. The Company achieved the highest ever fixed broadband sales in Q1, 2022 since 2015. Voice revenue stream has seen a decline due to lower voice traffic and continued conversion of customers to OTT services.

Business services segment continued its momentum and sustained its market leadership in IP bandwidth, cloud, data center, and other ICT services segments. PTCL's corporate business grew by 14.0% as compared to last year. Within the wholesale business segment, carrier revenue grew by 6.6% but the overall wholesale segment revenue has declined as a result of closure of certain international IP leased circuits. PTCL business solutions wing strives to provide innovative enterprise solutions to accelerate growth through a robust telecommunication infrastructure and a diverse portfolio of services with enhanced customer experience. International revenue, helped by the favorable impact of currency devaluation, has increased by 13.7% over last year.

Ufone posted a YoY growth of 1% in topline in Q1 2022 despite challenges of increase in Advance Income Tax (AIT) and reduction in Mobile Termination Rates (MTR). Excluding the impact of these factors, the normalized growth is 5.3% as compared to the same period of last year. Significant network modernization activity and rollout of new sites has been carried out in Q1 2022. With the

acquisition of 4G spectrum, Ufone's performance in data segment has improved considerably, achieving the highest number of total data subscribers in the industry during the first two months of 2022 and continues to increase its share of new 4G subscriber acquisitions in the industry. With better data speeds. Ufone has been able to improve customer experience for its users across the country. The recent 'Mobile Networks Benchmark Report for 2022' by PTA also declared Ufone as Pakistan's best quality Voice and Data Network. UPower, a flagship customer-centric product, was launched during the first quarter and has registered tremendous response from the customers. Attracting significant attention of mobile users across Pakistan, the launch of UPower has resulted in substantial subscriptions to the product. UPower gives its users the freedom to choose from various voice and data bundles tailored to their needs.

U Bank, the microfinance and branchless banking subsidiary of PTCL, continued its growth trajectory and has achieved 13% growth in its revenue. The balance sheet footing of the bank remained in excess of the Rs 100 billion mark as the bank continued to diversify its funding streams and asset classes while ensuring positive bottom-line impact. U Bank aims to emerge as a major player in the areas of low-cost housing loans, international remittances, and Islamic Banking as it continues to expand its geographical outreach, both vertically and horizontally. The bank plans to invest in technology to make the most of the opportunities available on the digital banking front.

As part of an effort to build a greener Pakistan, PTCL Group, in collaboration with CDA, arranged a tree plantation drive by engaging its employee volunteer force - PTCL Razakaar. In addition to the benefits associated with the environment, this drive provided an opportunity for PTCL employees to contribute towards the fight against climate change. The same drive was carried out nationwide across North, South and Central Zones, where employees from various cities also planted trees to help support the initiative.

The management and employees of PTCL remain committed to provide quality services at competitive prices through concerted efforts to be the partner of choice for our customers and also to improve shareholders' value.

1. THE COMPANY AND ITS OPERATIONS

Pakistan Telecommunication Company Limited ("PTCL", "the Company") was incorporated in Pakistan on December 31, 1995 and commenced business on January 01, 1996. The Company, which is listed on the Pakistan Stock Exchange Limited (PSX), was established to undertake the telecommunication business formerly carried on by the Pakistan Telecommunication Corporation (PTC). PTC's business was transferred to the Company on January 01, 1996 under the Pakistan Telecommunication (Re-organization) Act, 1996, on which date, the Company took over all the properties, rights, assets, obligations and liabilities of PTC, except those transferred to the National Telecommunication Corporation (NTC), the Frequency Allocation Board (FAB), the Pakistan Telecommunication Authority (PTA) and the Pakistan Telecommunication Employees Trust (PTET). The registered office of the Company is situated at PTCL Headquarters, G-8/4, Islamabad.

The Company provides telecommunication services in Pakistan. It owns and operates telecommunication facilities and provides domestic and international telephone services and other communication facilities throughout Pakistan. The Company has also been licensed to provide such services in territories of Azad Jammu and Kashmir and Gilgit-Baltistan.

STATEMENT OF COMPLIANCE

These condensed interim financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. The accounting and reporting standards as applicable in Pakistan for interim financial reporting comprise of:

- International Accounting Standard (IAS) 34, Interim Financial Reporting, issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017; and
- Provision of and directives issued under the Companies Act, 2017.

Where the provisions of and directives issued under the Companies Act, 2017 differ with the requirements of IAS 34, the provisions of and directives issued under the Companies Act, 2017 have been followed.

BASIS OF PREPARATION

These condensed interim financial statements do not include all of the information required in the annual financial statements prepared in accordance with the approved accounting and reporting standards as applicable in Pakistan. However, selected explanatory notes are included to explain events and transactions that are significant to an understanding of the changes in the Company's financial position and performance since the last annual financial statements. These condensed interim financial statements should be read in conjunction with the Company's latest annual financial statements as at and for the year ended December 31, 2021.

CRITICAL ACCOUNTING ESTIMATES AND JUDGEMENTS

The preparation of this condensed interim financial statements in conformity with approved accounting and reporting standards requires the use of certain critical accounting estimates. It also requires management to exercise its judgment in the process of applying the Company's accounting policies. Estimates and judgments are continually evaluated and are based on historic experience including expectations of future events that are believed to be reasonable under the circumstances.

Estimates and judgments made by the management in the preparation of this condensed interim financial statements are the same as those used in the preparation of audited financial statements of the Company for the year ended December 31, 2021.

SIGNIFICANT ACCOUNTING POLICIES

The accounting policies and the methods of computations adopted in the preparation of these condensed interim financial statements are consistent with those followed in the preparation of the Company's audited financial statements for the year ended December 31, 2021.

11. CONTINGENCIES AND COMMITMENTS

There has been no material change in contingencies as disclosed in the last audited financial statements of the Company for the year ended December 31, 2021, except in note 11.1, and 11.2 in the following:

- 11.1 For the tax years 2007, 2009, 2010, 2011 to 2021, Taxation Officer disallowed certain expenses and tax credits. The impugned orders were challenged at the relevant appellate forums which allowed partial relief thereof. After taking into account the orders of CIR (Appeals), ATIR as well as rectification orders tax impact of the disallowances is Rs 62,684,014 thousand. Appeals on the remaining outstanding items are pending adjudication before ATIR. Reference in respect of 2007 is subjudice before the Honorable Islamabad High Court. Stay has been obtained in all cases from different fora.
- 11.2 For the Tax Year 2020 & 2023, Taxation officer objected to the quarterly advance tax calculation submitted by the Company based on group taxation and raised demand amounting to Rs. 6,801,513 thousand despite that PTCL had filed option for group taxation within prescribed time. PTCL obtained stay order from Honorable Islamabad High against any coercive measures.
- 11.3 In 2010, Pakistan Telecommunication Employees Trust ("PTET") board approved the pension increase which was less than the increase notified by the Government of Pakistan ("GoP"). Thereafter, pensioners filed several Writ Petitions. After a series of hearings, on June 12, 2015 the Apex Court decided the case in the interest of pensioners. On July 13, 2015, Review Petition was filed in Supreme Court of Pakistan against the Judgment of June 12, 2015.

The Honourable Supreme Court of Pakistan (Apex Court) disposed the Review Petitions filed by the Company, the Pakistan Telecommunication Employees Trust (PTET) and the Federal Government (collectively, the Review Petitioners) vide the order dated May 17, 2017. Through the said order, the Apex Court directed the Review Petitioners to seek remedy under section 12(2) CPC (Civil Procedure Code) which shall be decided by the concerned Court in accordance with the law, and to pursue all grounds of law and fact in other cases pending before High Courts. The Review Petitioners have filed the applications under section 12(2) CPC before respective High Courts. However, PTET has implemented the Apex court decision dated 12 June 2015 to the extent of 343 pensioners who were

the petitioners in the main case. Some of the interveners (pensioners) seeking the same relief as allowed vide order dated June 12, 2015 have been directed by the Apex Court to approach the appropriate forum on May 10, 2018. Islamabad High Court on 2nd November, 2021, has decided that the GOP increases are not allowed to VSS optees, PTC pensioners and to the workmen. To the extent of Civil Servants the Islamabad High Court allowed the GOP increase. However, to the same extent appeal has been filed before Apex court within the limitation. Under the circumstances, management of the Company, on the basis of legal advice, believes that the Company's obligations against benefits is restricted to the extent of pension increases as determined solely by the Board of Trustees of the PTET in accordance with the Pakistan Telecommunication (Re-Organization) Act, 1996 and the Pension Trust Rules of 2012 and accordingly, no provision has been recognized in the Company's financial statements.

12. REVENUE

The Company principally obtains revenue from providing telecommunication services such as Broadband, IPTV, Voice, data, wireless services, interconnect, corporate and international services.

For bundled packages, the Company accounts for individual products and services separately if they are distinct i.e. if a product or service is separately identifiable from other items in the bundled package and if a customer can benefit from it. The consideration is allocated between separate products and services in a bundle based on their stand alone selling prices.

The Company generates revenue from the following performance obligations of its telecommunication services.

Principal business of U Bank, incorporated under Microfinance Institutions Ordinance, 2001, is to provide nationwide microfinance and branchless banking services.

STATEMENT OF COMPLIANCE

These condensed consolidated interim financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. The accounting and reporting standards as applicable in Pakistan for interim financial reporting comprise of

NOTES TO AND FORMING PART OF THE CONDENSED CONSOLIDATED INTERIM FINANCIAL STATEMENTS

FOR THE THREE MONTHS PERIOD ENDED MARCH 31, 2022 (UN-AUDITED)

- International Accounting Standard (IAS) 34, Interim Financial Reporting, issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017; and
- Provisions of and directives issued under the Companies Act, 2017.

Where the provisions of and directives issued under the Companies Act, 2017 differ with the requirements of IAS 34, the provisions of and directives issued under the Companies Act, 2017 have been followed

The applicable financial reporting framework for consolidated subsidiary also includes the

- Microfinance Institutions Ordinance, 2001 (the MFI Ordinance);
- Directives issued by the Securities and Exchange Commission of Pakistan (SECP) and State Bank of Pakistan (SBP); and

Where the requirements of the Companies Act, 2017, the MFI Ordinance and the directives issued by the SECP and SBP differ with the requirements of IAS 34, the requirements of the Companies Act, 2017 the Microfinance Ordinance, 2001, or the requirements of the said directives shall prevail.

BASIS OF PREPARATION

These condensed consolidated interim financial statements do not include all of the information required in the annual financial statements prepared in accordance with the accounting and reporting standards as applicable in Pakistan. However, selected explanatory notes are included to explain events and transactions that are significant to an understanding of the changes in the Group's financial position and performance since the last annual consolidated financial statements. These condensed consolidated interim financial statements should be read in conjunction with the Group's latest annual consolidated financial statements as at and for the year ended December 31, 2021.

CRITICAL ACCOUNTING ESTIMATES AND JUDGEMENTS

The preparation of this condensed consolidated interim financial information in conformity with approved accounting standards requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Group's accounting policies. Estimates and judgements are continually evaluated and are based on historic experience, including expectations of future events that are believed to be reasonable under the circumstances.

Estimates and judgements made by the management in the preparation of this condensed consolidated interim financial information are the same as those used in the preparation of annual audited consolidated financial statements of the Group for the year ended December 31, 2021, other than those related to adoption of IFRS 9 "Financial Instruments" by U Bank.

SIGNIFICANT ACCOUNTING POLICIES

The accounting policies and the methods of computations adopted in the preparation of this condensed consolidated interim financial information are consistent with those followed in the preparation of the consolidated annual audited financial statements for the year ended December 31, 2021 except for implementation of IFRS 9 "Financial instruments" by U Bank from 1 January 2021 as per the State Bank of Pakistan BPRD Circular No. 04 of 2019 dated 23 October 2019. IFRS 9 replaces the 'incurred loss' model in IAS 39 with an 'expected credit loss' (ECL) model. At the initial application date the Group has recognized an additional charges for expected credit loss on opening balances of financial assets of U Bank aggregating to Rs 660,554 thousand and remeasurement gain of Rs 307,079 million on investments reclassified at amortized cost.

11. CONTINGENCIES AND COMMITMENTS

There has been no material changes in contingencies as disclosed in the annual consolidated financial statements for the year ended December 31, 2021 except as disclosed below.

- 11.1 For the tax years 2007, 2009, 2010, 2011 to 2021, Taxation Officer disallowed certain expenses and tax credits. The impugned orders were challenged at the relevant appellate forums which allowed partial relief thereof. After taking into account the orders of CIR (Appeals), ATIR as well as rectification orders tax impact of the disallowances is Rs 62,684,014 thousand. Appeals on the remaining outstanding items are pending adjudication before ATIR. Reference in respect of 2007 is subjudice before the Honorable Islamabad High Court. Stay has been obtained in all cases from different fora.
- 11.2 For the Tax Year 2020 & 2023, Taxation officer objected to the quarterly advance tax calculation submitted by the Holding Company based on group taxation and raised demand amounting to Rs 6,801,513 thousand despite that the Holding Company had filed option for group taxation within prescribed time. The Holding Company obtained stay order from Honorable Islamabad High against any coercive measures.
- 11.3 In 2010, Pakistan Telecommunication Employees Trust ("PTET") board approved the pension increase which was less than the increase notified by the Government of Pakistan ("GoP"). Thereafter, pensioners filed several Writ Petitions. After a series of hearings, on June 12, 2015 the Apex Court decided the case in the interest of pensioners. On July 13, 2015, Review Petition was filed in Supreme Court of Pakistan against the Judgment of June 12, 2015.

The Honourable Supreme Court of Pakistan (Apex Court) disposed the Review Petitions filed by the Holding Company, the Pakistan Telecommunication Employees Trust (PTET) and the Federal Government (collectively, the Review Petitioners) vide the order dated May 17, 2017. Through the said order, the Apex Court directed the Review Petitioners to seek remedy under section 12(2)

CPC (Civil Procedure Code) which shall be decided by the concerned Court in accordance with the law, and to pursue all grounds of law and fact in other cases pending before High Courts. The Review Petitioners have filed the applications under section 12(2) CPC before respective High Courts. However, PTET has implemented the Apex court decision dated 12 June 2015 to the extent of 343 pensioners who were the petitioners in the main case. Some of the interveners (pensioners) seeking the same relief as allowed vide order dated June 12, 2015 have been directed by the Apex Court to approach the appropriate forum on May 10, 2018. Islamabad High Court on 2nd November, 2021, has decided that the GOP increases are not allowed to VSS optees, PTC pensioners and to the workmen. To the extent of Civil Servants the Islamabad High Court allowed the GOP increase. However, to the same extent appeal has been filed before Apex court within the limitation. Under the circumstances, management of the Holding Company, on the basis of legal advice, believes that the Holding Company's obligations against benefits is restricted to the extent of pension increases as determined solely by the Board of Trustees of the PTET in accordance with the Pakistan Telecommunication (Re-Organization) Act, 1996 and the Pension Trust Rules of 2012 and accordingly, no provision has been recognized in the consolidated interim financial statements.
